

THIS CERTIFICATE IS PRESENTED TO

Switch Sustainability Certificate

ISS, Inc is awarded this Sustainability Certificate for using 100% Renewable Energy within the Switch ecosystem. This certificate demonstrates that Switch retired 675 Solar and Hydroelectric Renewable Energy Credits in 2020 on behalf of ISS, Inc, making their energy consumption 100% Green at Switch's data center facilities.

These Renewable Energy Credits comply with Greenpeace's principles of locality, additionality, and sustainability, and were generated by Nevada solar farms and WECC hydroelectric plants.

Together, we can ensure that the data running our planet doesn't ruin the planet.
