

ISS MISSION

ISS empowers investors and companies to build for long term and sustainable growth by providing high quality data, analytics and insight.

ISS VALUES

INTEGRITY

We speak our mind and we debate our point of view for the betterment of the company, but at the end of the day we stand behind decisions made by the team. Our culture is one of respect, transparency and honesty.

DIVERSITY

We believe that each individual within our global team enriches the environment we work in, supports our creative thinking, and helps to drive innovation which is critical to our future growth.

EMPOWERMENT

We give our people the support they need to make a difference. We reward those that innovate and share ideas they believe will benefit the company. Our culture is one in which people can be confident when they speak up and when it comes to ideas, all voices are equal.

COLLABORATION

Our people are the key to our success. Our approach is rooted in the belief that through working together and supporting each other we can achieve so much more than the individual high performer.

FLEXIBILITY

We are nimble in responding to the changing needs of our business. We seek creative ways to solve both internal and external opportunities and in doing so, provide growth to our employees and improved value for our clients.

CLIENTS

Above all else, we seek to provide excellence to our clients. Everyone at ISS has a role to play in building long term client relationships based on the quality of our people, the value of our services and the high standards we set for ourselves. We anticipate future needs, seek challenges, make a difference and deliver world class solutions.
