

GENSTAR AFFILIATED COMPANIES

Institutional Shareholder Services Inc. ("ISS") is partially owned by a combination of limited partnerships controlled by Genstar Capital ("Genstar"), a private equity firm based in San Francisco, California. As a private equity firm, Genstar owns or controls a number of operating companies. Some of these companies may become publicly traded and may thereafter be held in ISS client portfolios. Actual or potential conflicts of interest, or the appearance of conflicts, could arise in the production by ISS of research with respect to these companies.

ISS and Genstar have adopted policies to identify these situations and mitigate actual or potential conflicts. A copy of the "Policy on Non-Interference and Potential Conflicts of Interest Related to Genstar Capital" is available on the ISS website at:

<http://www.issgovernance.com/compliance/due-diligence-materials/>

Pursuant to the above referenced policy, each issuer identified is deemed to be a "Genstar Affiliated Company" by virtue of one of the types of relationships described in the policy. If ISS publishes research with respect to such an issuer, an explicit statement noting the relationship will be included in the body of any such research. In addition, ISS will maintain and make publicly available within the Compliance section of its website a list of all Genstar Affiliated Companies.

Currently, there are no Genstar Affiliated Companies. Genstar will facilitate ISS' implementation of Genstar Affiliated Companies by providing ISS with regular and timely information about the relationships which might trigger such disclosure. In the event a change is warranted, this list will be updated.
