BROCHURE SUPPLEMENT

This Brochure Supplement provides biographical information about the five supervised persons with the most significant responsibility for the investment advisory products and services provided to clients of Institutional Shareholder Services (“ISS”). This information supplements the information in the ISS Brochure. If you did not receive a copy of the ISS Brochure, or if you have questions about this Brochure Supplement, please contact our Chief Compliance Officer, Dan Lantz. He can be reached at (301) 556-0466 or at daniel.lantz@issgovernance.com.

Additional information about ISS is available on the SEC’s website at www.adviserinfo.sec.gov.

This brochure was prepared as of March 21, 2022.

Set forth below is biographical information about Georgina Marshall, Gabriel Alsina, Cristiano Guerra, Catherine Salmon and Bonnie Saynay, the five supervised persons with the most significant responsibility for the investment advisory products and services provided to ISS clients.

GEORGINA MARSHALL

Educational Background and Business Experience

Ms. Marshall, who has been at ISS since 2012, is the Global Head of Research for ISS. She is based in Rockville, MD, USA. Prior to assuming her current role, she was based in London as the head of EMEA Research for ISS from 2012-2015. Prior to ISS, she worked for the investment management firm Aviva Investors in a series of governance and finance managerial positions from 2001-2012, including as Regional Head of Corporate Governance from 2008-2012.

Ms. Marshall is a graduate of the University of Exeter, UK, where she earned a BA degree with Honors. Ms. Marshall is also qualified as a Chartered Accountant with the Institute of Chartered Accountants of England and Wales. She was born in 1961.
